

DECLARATION OF CONFORMITY

In accordance with EC Pressure Equipment Parliament Directive 2014/68/EU (PED)

We

Company: INDUSTRIAS TÉCNICAS DE VALVULERÍA S.A
Address: C/ Berguedà nº14-16 P.I Can Bernadés Subirà
Postcode / City: 08130 Spain. Barcelona. Santa Perpètua Mogoda.

we declare that all products in our catalog are defined within the Directive as “**pressure fittings**” according to Article 4.1.d **and exempt from the CE Marking**, since they do not exceed the limits indicated for the working pressure and the nominal diameter according to Article 4.3 "Technical requirements" thereof.

- Products with DN \leq 25 mm for fluids of groups 1 and 2
- Products with DN > 25 mm up to DN \leq 32 mm only for group 2 fluids
- Products with DN > 32 mm only for group 2 liquids (such as hydraulic oil and water)

Group I comprises those fluids classified according to the CE 1272/2008 Directive on the classification of dangerous substances as:

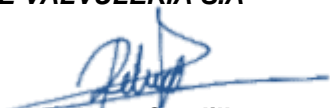

- explosive
- extremely flammable
- highly flammable
- flammable
- very toxic
- toxic
- oxidising

Group II comprises all other fluids including air, neutral gases, oil, water and steam.

The **ISO 9001 certification** ensures that products are designed and manufactured in accordance with good technical practices for use in a Member State in order to ensure safety in their use.

November 2019,

INDUSTRIAS TÉCNICAS DE VALVULERÍA S.A
